

High definition outdoor video camera surveillance

DO YOU FEAR FINANCIAL LO\$\$ THROUGH THEFT, VANDALISM,
SAFETY NON-COMPLIANCE, INEFFECTIVE SITE MONITORING,
LOGISTICAL CONSTRAINTS, ILLEGAL DUMPING?

ATF Vision has the solution ...
24 hour video surveillance with instant 'event' notification

- No power or infrastructure required
- Rental (short or long term options)
- Costs less per day than the "hourly rate"
of a security guard

AUSTRALIAN SECURITY INDUSTRY
ASSOCIATION LIMITED

ATF Vision has developed a NEW rapidly deployable video camera solution, providing:

- Quick and easy installation
- 24 Hour high definition video surveillance and event recordings
- Immediate event notification of after-hours activity
- View events on your smartphone or tablet
- 100% Solar powered means no external power required
- Only requires Telstra mobile signal (3G/4G)
- Night time infrared vision (cameras operate in pitch black conditions)
- Provides a huge deterrence factor (highly visible site presence)
- Strobe light and siren activation
- Tamper and vandal proof
- Guaranteed proven results

We have a range of video camera solutions:

INDUSTRIAL OUTDOOR SYSTEM

- 2 X Customised video camera lenses, up to 4 months of video event storage

COMMERCIAL OUTDOOR SYSTEM

- 180 Degree video camera, up to 2 months of video event storage

INDOOR SYSTEM

- Lightweight and totally portable, 180 degree video camera system with remote heat/movement sensors for other areas, Up to 1 month of video event storage
