Retainer Wall System

Protect your workers from retainer wall risks!

Tried scaffolding poles, Star Pickets or Fencing?
Our Clamp on System will solve your problems.

This system can be fitted to limestone, double brick or concrete retainer walls and is adjustable up to 480mm in width.

To minimise the risk of objects falling Mesh Kick Boards can be fitted.

All ATF Height Safety Systems are fully tested and engineered to meet all industry standards.

Mesh Kick Boards

- Competitive rates
- Height Safety Solution Specialists
- Fully trained and accredited installation crews.
- Certified products that fully comply with regulations
